## **DOUBLES**

(At times this season there has been some confusion and discussion on the order of the doubles combinations , to clarify the current position please read below)

1 There is no set order in which to play your doubles combinations.

2 You **do not** have to fill in your doubles combinations on your sheet prior to start of night.

3 You can write your names on the sheet prior to each doubles match and fold sheet over then allow opposition to fill their names in without knowing your combination.

**(can each captain ensure this is read by all players)**
